SUMMARY OF INCIDENT:

On May 10, 2017, at 9am the Tehama County Sheriff's Office was honored to receive a wooden "thin blue line" flag made by **Dave Casados**.

As Dave presented the flag to Sheriff Dave Hencratt he explained he made the flag, "from my heart to show my support for you guys."

Dave Casados is a 40 year resident of Tehama County and recently started making wooden flags as a hobby.

When not making flags, Dave is a Captain with the Civil Air Patrol, part of the Travis Composite Squadron 22 at Travis Air Force Base. Dave explained he participates in many Search and Rescue efforts as part of the Civil Air Patrol. Additionally, he has been the Department Commander for their Cadet Program.

The wooden flag is 19 ½ x 36 inches and will be displayed prominently.

The Sheriff's Office is very grateful and honored to receive such a beautiful work of art. This gift comes a week prior to the start of National Police Week, May 14-20, 2017.
